

TBBA Featured Breeder: Diamond K Ranch

History

Diamond K Ranch is a family owned and operated ranch located just northwest of Houston at the former site of the historic Nine Bar Ranch in Hempstead, Texas. Purchased in 1997, the ranch is the home of Wayne, Shawn & Katy Knox. With a concentration on raising exceptional show cattle, Diamond K Ranch is proud to be the home of numerous champion donor females. In the show ring with daughter Katy Knox, Diamond K Ranch was awarded the 2011-2012 IBBA Show Heifer of the Year with black Brangus female Miss JLS Shiraz 157W3 and in 2012-2013 with a bred and owned Red Brangus female, KK Miss Sidra Lee 317X4.

Wayne and Shawn also own and operate a steel pipe business in Hempstead. Katy is currently completing a Masters Degree at Texas A&M University in the Agriculture Department. Our ranch continues to compete in the show ring at open shows across the country.

Juniors: "The Future of our Breed"

Utilizing a year-round intensive artificial insemination and embryo transfer program Diamond K Ranch is striving to breed the best show animals for junior exhibitors. Through Katy's experience in junior programs like the IJBBA, TJBBA, 4-H, FFA, and TJLA our family understands, first-hand, the importance of a junior program to the future of the breed. Diamond K Ranch offers junior exhibitors competitive Brangus, Red Brangus, BlackGold, UltraBlack, and Club Calf show heifer and steer prospects private treaty year round. We also offer a limited selection of bull calves for the commercial cattlemen and Brangus and Red Brangus breeders alike.

Excellence ... A Tradition

Excellence in any endeavor is a process that must be learned and continually developed. At Diamond K Ranch we work each day to improve our program, focusing on our best donors while using the best bull power available.
