From The President

Hello members,

Well we had our annual convention and Miss America Sale this past weekend in Salado, Texas. The event went well and we had about 100 members and guests present for the event. I'm sure that all of you that attended enjoyed the good food, good cattle and fellowship, and for those of you that missed it please try to attend next year.

We had installment of New Directors and those are: Jodi Jackson, Buck Tomlinson, Larry Gill and Danny Farris.

Directors that stepped down from that board because of having served their term limitations are: Russ Williamson, Garry Clem, Dannie Dippel, Joe Dillard and Don Cox.

Officers elected for the upcoming year are: President Doug Muenchow, 1st Vice President Dennis Hengst, 2nd Vice President Marcos Borges and Sec-Treasurer Kelly Grissom.

I want to Thank all of the out going Directors for all of their hard work, and especially Thank Russ Williamson, Steve Densmore and Garry Clem for an excellent job of managing and putting the sale together.

Until next time,

Doug

Ag Opportunities for you!

1. Applications for Conservation Program Being Accepted at NRCS Offices Statewide

TEMPLE, Mar. 3, 2015- Applications for funding opportunities with the USDA's Natural Resources Conservation Service (NRCS) Environmental Quality Incentives Program (EQIP) are currently being accepted at all NRCS offices across Texas.

NRCS in Texas has received its EQIP funding for Fiscal Year 2015 and will begin ranking and obligating contracts after April 17, 2015. All agriculture producers interested in submitting a contract application for 2015 should do so before this ranking deadline.

EQIP - one of the largest programs in the Farm Bill - is a voluntary conservation program that promotes environmental quality and assists producers to meet local, state and federal regulations. To read more click the following link: [USDA](#)

2. USDA Offers Renewal Option for Expiring Conservation Stewardship Program Contracts, Extends Deadline for General Sign-up Applications

WASHINGTON, Feb. 24, 2015

- Natural Resources Conservation Service Chief Jason Weller today announced that the U.S. Department of Agriculture is offering a renewal option through Tuesday, March 31, 2015 for

eligible agricultural producers and forest landowners with expiring Conservation Stewardship Program (CSP) contracts. These producers must be willing to adopt additional conservation activities aimed at helping them achieve higher levels of conservation on their farms, forests and ranches.

USDA will also extend the deadline for general sign-up CSP applications until Friday, March 13, 2015 providing farmers, ranchers, and private forest managers two additional weeks to apply for this funding round of \$100 million. To read more click the following link:
