Texas Brangus

From The President

Hello TBBA members,

The weather has been very different this spring and early summer. Hope that the floods and flooding has passed your place by and for those of you that had to deal with it, hope you are doing fine. I know what it's like to repair and replace the downed fences, but as long as that's all we have to replace we are lucky. The Junior events are about to kick off and I hope that any of you that have Juniors involved that they do at the events. I encourage any of you to try to support the events in any way you can. There should be more information on these happenings in another part of this letter.

Now is the time to start planning for the TBBA sale next spring in Salado, Texas. I encourage you to look over you herd and pick out a consignment or two for the sale. This sale has been a good place to expose herd and the kind of cattle you produce so if you are thinking about consigning please try to select one of your best.

The Beef Cattle Short Course in College Station is coming up August 3rd to the 5th and this is an event that even those of us that think we know everything can still learn a thing or two. They will be offering 10 CEU hours there this year and this would be a good place for those of us that need them to acquire them. If you haven't attended this in the past you will find out that it's well worth the time and you will get to meet a lot of good cattle people.

Until next time,
Doug

Another Great Year So Far!

Here is an encouraging article from BEEF Magazine. We are still in a strong market and we should take advantage while we can! [Click here for the full article](#)

TBBA Business Card Ads

TBBA members have the opportunity to advertise their farm or ranch through the new business card advertisements to be launched on the TBBA website. If you would like to purchase a business card ad, [e-mail](#) Kyle Dykes. Business card ads will cost \$50.
