TBBA Board Message

One thing I noticed while attending the National Junior Brangus Show in Duncan, Oklahoma, was that I didn't know as many of the young exhibitors this year. The obvious answer to that is that my kids are not in the show ring going to major shows any more, but another very important answer is because of all the new exhibitors we have each year. This year there were 30 new exhibitors entered in the NJBS. That's exciting. We all know the old saying, "The young people are the future of our breed." And with that, I have to agree. There are some pretty dynamic young Brangus breeders that I witnessed at that show and it is encouraging to see their love for the breed.

Another experience I had with a dynamic young Brangus enthusiast was when I got to show our operation to a young lady from Australia, Jackie Elliott. She is visiting the United States and touring several places including many Brangus ranches. I know she has traveled to the state and national shows with the Parkey family, spent some time at Indian Hills Ranch with the Thomasons and also visited Farris Ranching Company to check out their operation. I am sure that she has enjoyed her time here and loved the hospitality the fine Texan folks have provided.

I can't help but believe that any time we spend mentoring young Brangus breeders is a good investment in the further success of the Brangus breed. My thanks to all who take time to invest in them.

TBBA Annual Conference Request

San Antonio, TX 78269

txbrangus.org

Hello TBBA Members,

I am writing this letter to request help in decorating for the TBBA Annual Conference and Sale in Salado next April. I will be using pictures as part of the center pieces on the tables. I need you to send me a minimum of 5, but I would like to have 10 pictures of your cattle. These photos can be of your favorite cattle or which ever you prefer to use. I would like them to be 4" X 6" BLACK and WHITE if possible. I will also need one of your Business Cards if you have one.

I would really like to show off your animals and support those members who consign and attend this conference. Please help me make this a success. If you have any questions please contact me at 210-413-1949 or Doug at 210-394-1952. I would prefer to have these pictures by November 15th, so I will have time to work with them.

Thank You,

Darnell Muenchow
